

# SCALAR ENERGY FOR THE WORLD...

*The testimony below is from a woman that was infected with herpes simplex virus type 2 for eight (8) years. The Scalar Light Pathogenic Cleanse exclusively administers Scalar Light upon photographs of people, animals, plants, and objects.*

*There are no in-person Scalar Light sessions.*

It is with great emotion that I share my test results with you. When the herpes virus activated in my vaginal area about 8 years ago, I thought it was the end of my life. STD's have to be the most taboo subject in our culture keeping us ignorant and silent and feeling ashamed. I had such anticipation and felt quite nervous in obtaining this. But deep down I felt like the sessions I had done with the Scalar Energy you provided had worked at such a deep level in my body. I also held on to deep faith and prayers for you and your technology that helps save the lives of many individuals living with incurable factors. I am a deep believer in quantum physics and the laws of the Universe. Our human makeup comes from the cosmos and is energized by how we think and feel. I was feeling bouts of shame, recurring shame as a form of self-punishment and I believe this activated the herpes. However, my state of mind, could not help me relieve them or eradicate them with the same ease that I manifested them. Finding you online and this technology gave me hope. Even though I had a few breakouts throughout, even while doing the Scalar Energy, I never gave up having faith that this was the best thing out there. Now, I have a personal testimony to my outcome and I don't have to read anyone else's and think that I wish for that to be me. I have my own to share! Many blessings to you and all those you help.

***The Scalar Light Pathogenic Cleanse exclusively administers Scalar Light upon photographs of people, animals, plants, and objects. In so doing, the molecular bonds of the herpes simplex virus type 2 negate. Subsequently, the symptoms diminish and disappear over a period of time as healing begins as a function of proper nutrition and good, personal hygiene.***

***May God grant you excellent health. Thank you.***
