

SCALAR ENERGY FOR THE WORLD...

The testimony below is from a man infected by herpes simplex virus type 2 for over 35 years. The Scalar Light Pathogenic Cleanse exclusively administers Scalar Light upon photographs of people, animals, plants, or objects. We do not work with people directly.

My testimonial Experience with SCALAR ENERGY HEALING:

After having used conventional antibody testing and treatments for HERPES 2, the doctors told me there was no solutions for the condition. However, following ONE month use of SCALAR ENERGY and following the education and coaching received by Tom Paladino - I discovered that the HERPES 2 virus had been eliminated. And the use of the PRC Testing was the final determination factor.

I then brought the lab results back to my doctor and the doctor entered that information into my medical charts. The SCALAR ENERGY HEALING is a life saver and wonderful tool.

Thank you Tom Paladino AND YOUR WHOLE TEAM THERE. !!!
